Fees are \$75.00 per skater/\$60.00 each skater for siblings

Late Start fees (for new skaters only) First day of practice in March \$60.00, First day in April \$40.00

We allow new skaters to have a 30 day grace to make sure derby is right for them. If they decide to continue, payment is due immediately upon completion of the grace period and based on date of first practice (see above fee schedule).

Payment (or approved scholarship application) must be made before the next (or first) bout in order to be eligible to skate.

- **Payment can be made during practice with Michele (Bootyfly's mom) by check (payable to Tucson Derby Brats), cash or credit/debit card.**
- **Jennifer (Ayannic Storm's mom) can also accept cash or checks.**
- **Fees may also be paid on our website. www.tucsonderbybrats.com**

ALL skaters who have paid their fees or are on scholarship will receive a team jersey. Fees go towards uniforms, required insurance, loaner gear and supplies, track rentals, website, bout expenses, JRDA membership, etc.

While we try to keep our fees reasonable we understand that it can be a struggle for some skaters and their families. We have a very limited number of scholarships available. Please submit the scholarship applications on the reverse side if you wish to be considered for a scholarship.

Please note that skater's level of commitment and enthusiasm for derby will be taken into account along with financial need. All scholarship applications will be considered by the board and awarded as funds are available.
